A JEFFERSON STANDARD POLICY IS A DECLARATION OF INDEPENDENCE FOR THE FAMILY

MORE than 40,000 North Carolinians own Jefferson Standard life insurance. Each year more people buy regular ordinary life insurance from the Jefferson Standard than from any other company doing business in the State.

These eloquent facts are a result of the high regard in which the Company is held by the people in its Home State and because they know the value of placing their insurance with a strong home institution where North Carolina money is kept working in North Carolina for North Carolinians.

Stop—Look Ahead and Save

IF you are one of the many people depending on a succession of pay-days for your personal needs and for maintaining your family, then you know what the worry of an uncertain future means.

PAY-DAYS come and pay-days go. Each one, though eagerly anticipated, really carries you a step nearer the inevitable time when your pay-days will cease altogether.

STOP then and think what you will do when old age deprives you of the means of earning your own livelihood.

WHAT can be more sound than saving, week by week, month by month, a small part of your salary to assure an income for yourself or your family when pay-days are over?

THEN you owe it to yourself and to your family to give serious thought to the safe and easy plan of protection and investment as offered by the SUN LIFE.

HIGH HAT a $287,450,000 market

. . . And no executive worthy of the name will turn up his nose at the $287,450,000 farm market in North Carolina which 1934 farm prices have brought about.

For the $287,450,000 North Carolina farmers received for their crop in 1934 is far more than they have received for any one crop in well over a decade. It is nearly three times as much as the average farm income of the other forty-seven states. In fact, only two states were ahead of North Carolina in farm income in 1934.

North Carolina farmers have money—**and they are buying things with it!**

Are you getting your share of the North Carolina farmers 287,450,000 dollars? Have you planned your advertising so as to get your share of the Carolina farm business in 1935?

Let the Carolina Co-operator increase your farm business. It is the official publication of the State Cotton Association, of the Farmers Co-operative Exchange, and of the State Grange. Already farmers are calling it "our magazine"—your advertisement in it will find a friendly reception.

The Carolina Co-operator is the only farm magazine in the state devoted solely to North Carolina agriculture. It has the reader-interest that only a localized magazine can have. And the advertising rate is surprisingly low for the more than 15,000 selected farm homes it covers each month.
